This last year has been full of unexpected events. As COVID has hit many areas, we have been unable to officially begin our pre-field ministry (deputation) until now. We are thankful for all which God has done for us this past year and are excited to see what He has for us this year as we begin our travels.

First, I (Rob) have been officially approved for retirement from the U.S. Air Force/Space Force. My date of retirement is July 1st. We are excited about this retirement because it will allow us to be able to travel more without having to get leave approved.

We are also excited God has provided us the money to purchase an enclosed trailer to pull behind our van. This will enable us to take more supplies to be able to travel farther than we can now. The kids will not be so cramped, and we will have a place to store and transport our missions table and boxes. This is such a blessing for us to be able to get this!

Our oldest 2 children, Bryce and Grace, will enter a new stage in their lives. They will be attending Pensacola Christian College this year, so they will not be able to travel with us as much.

We ask for your prayers as we present our hearts for the U.S. military families in Germany. Please also pray about possibly partnering with us, not only with your prayers, but with financial support.
God is good!!

In Christ,
Rob, Lynnell, Bryce, Grace, Nathanael, Brendan, Faith,
