Salutations! The Dodson Crew is praying everyone is doing well. Thank you for your continued prayers and financial support! God has been answering our prayers.

Over the last three months, we blocked off two weeks in April to complete our move from Palm Bay, Florida to Callahan, Florida. In our last two weeks in South Florida, we were able to spend time with our Riverside Baptist Church family. Rob is thankful for Pastors Dean and Stevens' leadership, wisdom, and the many opportunities serve. It was great to see Rob's former Non-commissioned Officer follow the Lord in believer's baptism. It brings us joy watching and hearing that Mitch continues to grow in his walk with the Lord. Lately, Mitch's family has been attending church with him. Please pray they stay faithful.

We downsized quite a bit through garage sales and donating items to a local rescue mission and thrift shops. We were blessed by those who came to help load up a U-Haul truck and others to help drive our vehicles. After unloading the U-Haul at our new home, Lynnell and I went back down to Palm Bay to clean the house, have our final inspection and hand over the keys back to the property owner. Lynnell and I got one last photo in front of Anthony Ave SE. There were many memories in a short amount of time.

Those two weeks flew by so quick, and we were back on the road again. It started with meetings in Ocoee and Orange Park, Florida, an overnight stay at our new home and off to Rob's home state of Ohio. Then, we headed back to Pensacola for a meeting. We spent some time with the twins at PCC.

The Dodson Crew has put in many more miles throughout Florida. While traveling the state, the Lord continues to allow us to serve in many ministries and share our burden, experiences, and testimonies. Lynnell, Faith, and Hope were able to have some much-needed girl time at three ladies' teas.

While at a missions conference, Nate was given the opportunity to teach his first junior church lesson. He did very well. The Lord keeps giving him many ways to serve. We enjoy spending time with other missionary and church families in fellowship. Many times, this allows us to share our burdens, praises and lessons learned.

The Lord allowed us not to have meetings for two weeks in June to be able to be home for Father's Day with Dad Phillips and take care of medical & dental appointments. During this time, He enabled us to spend time with Grandmother Phillips before she graduated to heaven. She was our biggest fan and cheerleader, and she will be truly missed. Also, attended the memorial celebration for Lynnell's Uncle Junior. Cannot wait to see them again in glory.
