Dear Praying Partners,

You all have been a tremendous blessing to us. It is comforting to know that we have a bunch of prayer warriors behind us. Pre-field ministry can take its toll on you and push you to your limits. Thank you for your continued prayers and financial support!

While we have been gone, we have had a few birthdays. It is fun coming up with ideas and putting together birthday parties. We are thankful for one church surprising someone with a birthday party after an evening service. It was a blessing and one he will remember. Thank you so much!!

When we started Pre-field ministry, most of our meetings/visits were in Florida. In July, we ventured out of Florida, and began a three-month trip away from home. Our summer began in Tennessee with a couple meetings/visits before taking the children to Bill Rice Ranch for camp. In the evening, we got to spend time with Grace who was working at the camp during the summer. We had the opportunity to meet one of our favorite preachers, Dr. Mike Norris and catch up with Dr. and Mrs. Pope.

In the last three months, we have been blessed to have meetings in Tennessee, Ohio, Indiana, West Virginia, New Jersey, Maryland, and Pennsylvania. We had 39 meetings and visits to churches. Our total miles travelled in the past three months is 5,339 miles. Every mile of those meetings and visits have been worth it. Many new partnerships and friendships have been a result. Even catching up with some old friends and meeting "cousins" and a "twin." We were able to talk with and minister to many active, guard and reserve service men and women during this time and saw many decisions made for Christ and lives changed. We had the pleasure of meeting a World War II veteran in West Virginia, Brother Ensley Hicks who was 100 years young. Thankful for his service to our great country and the Lord.

Rob had the opportunity to preach in a church in Toledo, Ohio where his dad, mom and stepdad came to hear him preach and spend time with us. None of them have accepted Christ as their Savior, but it was encouraging that they came to Sunday School and Sunday morning services. Rob was also blessed to be able to preach in the very first Baptist church in his hometown of Swanton, which is a predominantly Catholic community.

The Lord has blessed in our meetings, conferences, and Gospel blitzes. He has provided places for us to stay the entire three months we have been gone. What a wonderful God we serve. He supplies our needs daily. He has shown His love and grace to us, not just in the last three months, but every day.
