Dear Pastors and Prayer Warriors,

We are so thankful for all of your prayers the last 3 months. We have seen God's hand of safety and protection several times as we travel. We know that is because of all the prayers that are being done on our behalf.

After the holidays, our Pre-field ministry began to pick up again. It started with some pop in visits near home. Throughout January, February, and March, we had meetings and conferences in Alabama, Florida, Georgia, and Maryland. The Lord worked it all out, so we were able to be home more to be able to take care of some medical and dental appointments. Also, Rob was able to finish up all his VA evaluations.

Mid-March, we left home to begin our 8-month journey. It began in Tennessee, Ohio, and Michigan. So far along this journey, the Lord has allowed us cross paths with many of our missionary friends. It has been great to spend time with them and encourage each other.

Rob was invited to preach during a chapel service in St. Augustine. It was an honor to speak to young people seeking the Lord's direction. The Lord continues to provide Rob with opportunities to preach in Sunday schools and main services. He has also been able to provide support and encouragement to some military personnel during some meetings, and we have seen many decisions made.

Lynnell has been able to speak to more people in the deaf community. She has been teaching some basic ASL to our 4 younger kids, and a couple of them were able to communicate with some of the deaf at one of the missions conferences we attended,

We are so thankful for our children's wiliness to serve in the ministry. Many times, they have helped set up, teardown, and man the display table with Mom and Dad, as well as answer some of the questions people have about our ministry. The Dodson teens were invited to be a part of a teen choir at a church and were able to participate in. The Dodson kids have always liked being a blessing to missionary kids during missions conferences. They enjoy watching the faces of the pastors and missionaries' children when they get to pick out of the tote of small gifts. Faith has her own ministry within ours. She puts together gifts for pastor's and missionary wives. We pray they continue to serve in ways which God puts before them.

Please send us any prayers you would like us to lift up before the Lord. We will add them to our prayer ministry. Thank you so much for your prayers and support!

In Christ, Your Missionaries,
Rob & Lynnell Dodson & Kids
