Dear Pastors & Prayer Warriors,

This year is flying by fast. God has been so good to us as we have been traveling since March on this 8-month journey. It is because of all the churches and individuals praying for us every day. We thank you for it. So far, we have traveled approximately 15,000 miles, and are on track to travel more than last year's 26.6K miles. "Bonnie Blue," as the kids call the van, has had to have several things fixed in the last few months. We replaced the catalytic converter, with the help of a kind individual at a church in Montana. A supporting church blessed us with new tires for the van, which was a huge blessing.

We have been in 27 churches attending mission conferences and meetings, as well as non-scheduled visits throughout Ohio, Indiana, South Dakota, Idaho, Washington, Montana, Oregon, and Colorado. In between or along the way to these churches, God has given us the opportunity to visit with more friends from years past and with some we have met while on pre-field ministry.

The Lord keeps providing Rob with opportunities to preach and speak in Sunday school classes and main services. He has been able to talk to some veterans, active duty, guardsmen, and reservists, and to answer questions and give some advice to those who are looking at going into the service.

The Lord also blessed in which Lynnell, Faith, and Hope were able to attend the Mother/Daughter Tea at a church in Montana. This is an opportunity which they do not always have because of the constant travel to different areas.

We are praying to be fully supported by the end of our 8-month journey. If 29 churches/partners took us on for support at \$50 a month, we would reach our goal. We know the Lord will provide.

Please send us any prayer requests that you would like us to lift up before the Lord. We will add them to our prayer ministry. Thank you so much for your prayers and financial support!

In Christ, Your Missionaries,  
 Rob & Lynnell Dodson & Kids
