Dear Pastors & Praying Partners,

Thank you so much for praying for us as we have been away on the pre-field ministry trail for five months now! We pray you all are doing well and seeing God work in your lives. We are thankful for the seven newly supporting churches these past two months bringing our current support level to 92 percent.

Our meeting season picked up again in the month of August. The Dodson Crew started off the month with a camp meeting in Greenbrier, Arkansas. We had a great time getting to know Pastor Allen Jackson and the Faith Baptist Church family. Thankful for them hosting this uplifting and enjoyable meeting. There were wonderful messages brought by Brothers Fellure and Hayes. The altar was full every night with people making decisions and strengthening their relationship with God.

Then, we travelled to Rogers, Arkansas to reunite with some friends at their home church. All their children are growing up so fast. We were able to catch up with many other friends from the military. It was special for Rob to receive a coin from one of his former Chief Group superintendents.

In between meetings throughout Arkansas, Rob and Nathanael flew back to Jacksonville, Florida. They packed up what Nathanael was going to need while at the Crown College of the Bible. We are so thankful for Lynnell's parents driving them up to Powell, Tennessee. After getting Nathanael settled, Rob flew out of Knoxville to meet back up with Lynnell and the kid for a meeting in Yellville, Arkansas on a Saturday.

Rob's ordination service was a special event. We are thankful that we were able to be back in Arkansas to give an update to our sending church, as well as having the ordination. Bryce decided to take a break from college for a semester and flew into Arkansas. It was great to have him with us during this service. Rob had the honor of baptizing our three youngest children. They had been waiting for their daddy to be ordained so he could baptize them. We are thankful for Pastor Bernard and the deacons for allowing this opportunity. We enjoyed the fellowship afterwards.

At the end of August into September started our journeys bouncing between Texas and Oklahoma. With the pop in visits in OK, the Lord opened some opportunities to return in the future to present our ministry. Along with these visits, we had the chance to visit one of Rob's former kennel masters and his sweet family. Please pray for Thomas and his family as he will be deploying soon.

The Lord afforded an opportunity for Lynnell to share her testimony, talk about her auto accident, and the goodness of God. This opened many doors for her to talk with others who have gone through similar traumatic events in their lives.

One of our supporting churches had reached out about conducting a live video chat during their mission conference. We were able to give an update on our pre-field ministry and meet some new members at the church. This was an awesome experience.

Please pray for one of our newly supporting churches, Calvary Baptist Church in Texas. They have been going through a building program, but their lease is up soon. They are praying to be in the new building by the end of November.
