Dear Pastors & Praying Friends,

We pray you all are doing well and had a wonderful Thanksgiving with family and friends. It is great to be back home in Florida! Thank you so much for praying for us during this 8-and-a-half-month journey! It felt like a “deployment” but with the family, and they were my fire team. On this journey, the Lord gave us the opportunity to be a blessing to many churches and friends around the country. We have crossed paths with many current & former military personnel and their families. The Dodson Crew has made many long-lasting friendships and met some distant cousins.

The year isn’t over yet, and we have a few more miles to travel. Right now, we have logged over 30K in ministry miles for the year. Please pray as we round out the year with just a couple more scheduled meetings. Also, for the Lord to supply the rest of our needed support. Our current support level is at 98 percent.

When we got home, we began to downsize more to determine what we are going to ship over to Germany. We are so thankful to a church in Florida for donating towards our shipping container. Such a blessing. Please pray the Lord will provide the right home and vehicle(s) for us in Germany.

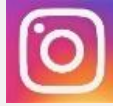

In the months of October and November, we continued to travel throughout Texas, Oklahoma, Arizona, Utah, Illinois, and Ohio. The month of October started with a missions conference in Chickasha, OK. Of course, we were educated in the proper pronunciation of the town. We had an awesome week with this church family. They are doing a wonderful work of planting churches in the area. A great example of reaching the lost in their Jerusalem, Judaea, Samaria & uttermost part of the earth. Lynnell was given the privilege during children’s church to sign to a girl throughout the week. Perhaps He is preparing her for a ministry in Germany.

The month of November ended with us spending time with a supporting church in Ohio during their Thanksgiving dinner and service. Nate flew in to join us and we took him back to college. The Lord allowed us the opportunity to visit a couple churches while spending time with him before we headed home.

I am so thankful to all the churches for recognizing and blessing Lynnell and our children. They have been a huge part of the ministry and have endured countless hours and miles on the road. Truly thankful for their sacrifice and for the Lord allowing us to cross paths with family in Texas. I believe this was a big surprise for Lynnell and the kids. It was

a huge encouragement for us all.

Pray for Grace & Nate as they are finishing up their finals in college these next couple of weeks. Both will be traveling home for Christmas. It is going to be a blessing to have the whole family together during the holidays. This will be our last visit with them before we leave in February. Pray for safe travels for when Bryce, Grace, & Nate head back to college.

Please send us any prayer requests you may have so we can add them to our prayer ministry. Thank you so much for your prayers and financial support! Lord willing, the next update will be from Germany. We wish you all a Merry Christmas and a Happy New Year!

In Christ, Your Missionaries,
